Pelawatta,
Battaramulla.

Dear Sir,

Subject: Request to issue a Direction to CIDA to consider requirement related to Turnover of Last 10 Years when evaluating Application for Renewal and Upgrading of CIDA Grades of Contractors based on Approval of the CIDA Board

We write with reference to your letter dated 10th December 2026 on the above regard and wish to state as follows.

At the previous Board Meeting of CIDA No. 12/2025 dated 26.11.2025, the Board of Management has taken the Board Decision No. 25-12-4.3 dated 26.11.2025 to the effect that turnover of last 10 years of a construction contractor shall be considered as a registration criteria for CIDA registration of a construction contractor.

Thereby, the Regulation published in the Extraordinary Gazette No.2430/13 dated 01.04.2025 shall be amended accordingly. We have conveyed this decision and the requirement to amend the above Gazette, to the Legal Draftsman through the Secretary to the Line Ministry of CIDA.

The letter dated 29.12.2025 bearing No. 'MUDCH/HC-EN/CP/3/1-vol V' has been sent by the Secretary to the Line Ministry conveying the above details to the Legal Draftsman.

Therefore, an Amendment Gazette shall be issued shortly, effecting the above amendments to the above mentioned Extraordinary Gazette.

Since the criterion is a published legal document (gazette), changes to such shall only be implemented through an amended gazette. Therefore, CIDA will follow up this with the Legal Draftsman to make this change as early as possible.

Thanking you,

Yours faithfully,

Eng. S. K. S. Amarasekara,
Director General,
Construction Industry Development Authority.
